DE PALMA AND ROBERTSON AR-M RANGE FOR MATCH RACE.

Meet A. B. Cordner of Motor Racing Association to Discuss Details of Five Mile Event-Jesse Freehlich Goes Abroad Fosdick Leaves Hol-Tan Co

Ralph De Palma and George Robertson met A. B. Cordner, chairman of the Brighton committee of the Motor Ra sociation, at the city clubhouse of the Motor Racing Association yesterday to arrange the final details for the match race the pair will engage in during the matinee races on Saturday, July 23. T. F. Moore. secretary of the Brighton Beach commit-tee, was also present at the conference.

Both De Palma and Robertson declared their intention of driving in the match race without any one in the mechanic's seats of their cars. Both of the cars have the steering wheel on the left hand side, so that neither driver will need to carry extra passenger to balance his car while rounding the turns at high speed. De Palma is to drive the famous 60 horse-power Flat Cyclone, with which he made a great many records, and Robertson is to pilot the 90 horse-power Simplex track racer. The match is to be a best two in three five mile heats affair and will be run from flying Local dealers and race enthusiasts are

When Mr. Froehlich returns to this country in August he will be accompanied by Hemery, who finished second with a Benz in the grand prize race at Savannah. Hemery is to be one of the members of the Benz racing team in the fall, the other members of the team including George Robertson, David I. Bruce-Brown, Edward A. Hearne and Barney Oldfield. While in Germany Mr. Froehlich will visit the town of Gaggenau, in Baden, to arrange for the delivery of a number of Gaggenau gasolene trucks that have been ordered by American firms.

Harry Fosdick announced vesterday that he had tendered his resignation as vice-president and treasurer of the Hol-Tan Company to take effect on July 11. Fosdick has been with the Hol-Tan concern for several years and before that was one of the best known dealers of Boston. At different times Mr. Fosdick was Boston agent for the Thomas and Winton cars.
